## La Carnita Taqueria – Fit Out

**Owner:** The Firkin Group of Pubs

**Location:**

Concourse D BWI Airport  
Baltimore, MD

**Architect:**

Silhouette Design Architecture, Inc.

**Cost:**

\$1.5 Million

### Project Description

New restaurant featuring Mexican street food in a modern industrial environment. Features include custom hand-patina finished steel bar top with 80' radius and integral welded charcoal stainless steel drink rail, welded steel cabinetry with black directional veil patina finish and metal ceiling features, all fabricated and shipped from an art-based millwork fabricator in Montana.
