Sandy Spring Monthly Meeting

**Address: 17801 Meeting House Road
Sandy Spring, MD 20860**

**Owner: Sandy Spring Monthly Meeting of the
Religious Society of Friends**

The original single story 1500 s.f. Community House, the Lyceum, was built in 1859 and “modernized” in the 1950s. A.R.Marani stripped the walls, floors and ceilings to the original wood frame. It was then completely renovated with new electric, plumbing, insulation, HVAC, drywall, flooring and a new kitchen. New roofing and siding was installed. The original windows were restored and newer windows were replaced with historically accurate units. A new 6000 s.f. two-story brick classroom building was also added and a connecting enclosed walkway was constructed to match the Lyceum building. Sandy Spring Meeting Lyceum renovations received a 2016 Montgomery County Award for Historic Preservation.
